INDEPENDENT AUDITORS' REPORT

To the Board of Directors
The College Crusade of Rhode Island
Providence, Rhode Island

We have audited the accompanying Statement of Net Assets of The College Crusade of Rhode Island, (the "Crusade") formerly The Rhode Island Children's Crusade for Higher Education, (A Component Unit of the State of Rhode Island) as of and for the fiscal year ended June 30, 2009, and the related Statements of Revenues, Expenses, and Changes in Net Assets and Cash Flows for the fiscal year then ended. These financial statements are the responsibility of the Crusade's management. Our responsibility is to express an opinion on these financial statements based on our audit. The prior year information has been derived from the Crusade's 2008 financial statements and, in our report dated September 24, 2008; we expressed an unqualified opinion on those financial statements.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The College Crusade of Rhode Island as of June 30, 2009, and the respective changes in financial position and cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

As discussed in Note 1, the Crusade is an independent 501(c)(3) not-for-profit corporation, with its own Board of Directors and control over its assets, which the State of Rhode Island treats as a discretely presented component unit for financial statement reporting purposes only.

In accordance with *Government Auditing Standards*, we have also issued our report dated September 24, 2009, on our consideration of The College Crusade of Rhode Island's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

The College Crusade of Rhode Island has not presented the Management Discussion and Analysis and Budgetary Comparison Schedule that accounting principles generally accepted in the United States has determined is necessary to supplement, although not required to be part of, the basic financial statements.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise The College Crusade of Rhode Island's basic financial statements. The Schedule of Expenditures of Federal Awards, Schedule of Operating Revenues, Expenses and Changes in Net Assets, Schedule of Net Assets, Schedule of Changes in Net Assets, and Schedule of Long Term Debt are presented for purposes of additional analysis and are not a required part of the basic financial statements. These supplemental schedules have been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

THE COLLEGE CRUSADE OF RHODE ISLAND
(A Component Unit of the State of Rhode Island)
NOTES TO FINANCIAL STATEMENTS
June 30, 2009 and 2008

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of The College Crusade of Rhode Island (the “Crusade”) have been prepared in conformity with Generally Accepted Accounting Principles (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The more significant accounting policies are described below:

THE FINANCIAL REPORTING ENTITY

CRUSADE OPERATIONS

The Crusade is a Rhode Island non-profit corporation formed in November 1989 for the purpose of fostering the education of economically disadvantaged youth through Crusader support programs for parents and students along with student scholarship awards.

For financial statement reporting purposes, the Crusade has been determined to be a component unit of the State of Rhode Island (the State) based on the State’s significant financial support of the Crusade and the Crusade’s ability to potentially impose a moral financial burden or moral obligation on the State. However, the Crusade is an independent 501(c)(3) not-for-profit corporation with oversight by its own Board of Directors and control over its assets.

BASIS OF PRESENTATION

On July 1, 2002, the Crusade adopted the provisions of Governmental Accounting Standards Board Statement No. 34 “*Basic Financial Statements – and Management’s Discussion and Analysis – for State and Local Governments*”. Statement No. 34 established standards for external financial reporting for all state and local governmental entities, which includes a statement of net assets, a statement of revenues, expenses, and changes in net assets, and a statement of cash flows. It requires the classification of net assets into three components – invested in capital assets, net of related debt; restricted; and unrestricted. These classifications are defined as follows:

- *Invested in capital assets, net of related debt* – This component of net assets consists of capital assets, including restricted capital assets, net of accumulated depreciation and reduced by the outstanding balance of any debt attributable to those assets. The Crusade had no such debt at June 30, 2009 and 2008.
- *Restricted* – This component of net assets consists of net assets used through external constraints imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments or constraints imposed by law through constitutional provisions or enabling legislation. The Crusade’s restricted net assets are restricted by the Carnegie Grant and the GEARUP Scholarship Grant.
- *Unrestricted* – This component of net assets consists of net assets that do not meet the definition of “restricted” or “invested in capital assets, net of related debt”.

THE COLLEGE CRUSADE OF RHODE ISLAND
(A Component Unit of the State of Rhode Island)
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
June 30, 2009 and 2008

BASIS OF ACCOUNTING

The financial statements of the Crusade have been prepared on the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

In accordance with SGAS No. 20, the Crusade has elected to apply the applicable GASB pronouncements, as well as the following pronouncements issued on or before November 30, 1989: FASB Statements and Interpretations; APB Opinions and ARBS, unless these pronouncements conflict with or contradict GASB pronouncements.

CASH AND CASH EQUIVALENTS

The Crusade considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents. For purposes of the statements of cash flows, none of the investments held in the Crusade's investment portfolio (Note 4) are included as cash and cash equivalents, regardless of the type of investment, as it is the Crusade's intention that the funds deposited in the investment account are not for current purposes. The Crusade had no cash equivalents at June 30, 2009 and 2008.

PLEDGES RECEIVABLE

Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of estimated future cash flows. The discount on these pledges is computed using a risk-free interest rate applicable to the year in which the promise is expected to be received. Amortization of the discount is netted against contribution revenue. Conditional promises to give are not recognized in revenue until such time as the conditions are substantially met. All pledges are expected to be received within one year.

INVESTMENTS

The Crusade's portfolio is managed by an outside investment manager who operates within the guidelines established by the Investment Committee of the Board of Directors. The Investment Committee has established and communicated to the investment manager policies relating to the nature of permitted investment instruments, diversification, and the use of derivatives.

All long-term investments have been reported in the financial statements at their current market value in the case of marketable securities and at estimated fair value for certain nonmarketable securities. The net increase (decrease) in realized and unrealized appreciation (depreciation) in the market value of such investments has been included in the statements of revenues, expenses, and changes in net assets.

Management is not aware of any derivative financial instruments through its investment managers' investment strategy and mutual fund investments. Derivatives, such as forward foreign currency contracts and futures, are used to hedge against foreign currency and price risk. Management has estimated that the risk, if any, associated with these derivatives is not material to the Crusade as of June 30, 2009 and 2008.

THE COLLEGE CRUSADE OF RHODE ISLAND
(A Component Unit of the State of Rhode Island)
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
June 30, 2009 and 2008

FURNITURE AND EQUIPMENT

Furniture and equipment is recorded at cost. Depreciation is provided using the straight-line method over estimated useful lives of respective assets. Useful lives of assets are as follows:

<u>Asset Category</u>	<u>Estimated Useful Lives</u>	<u>Capitalization Threshold</u>
Office Furniture & Equipment	5 years	\$2,000
Computer Equipment	3 years	\$3,000

CONTRIBUTED SERVICES

Unpaid volunteers have made contributions of their time to develop the Crusade's programs and to assist in registering students in these programs. The value of this contributed time is not reflected in these financial statements since it is not susceptible to objective measurement or valuation.

GRANT EXPENSES

Grants payable in future periods by the Crusade, and not requiring subsequent review and approval for payment, are recorded as expenses and liabilities when the grants are first awarded. When a grant's time period lapses with awarded funds unexpended, the Crusade treats the unexpended funds as income.

INCOME TAXES

The Crusade is a not-for-profit organization determined by the Internal Revenue Service to be exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code.

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

OPERATING REVENUES AND EXPENSES

Operating revenues and expenses are distinguished from non-operating items in the statements of revenues, expenses, and changes in net assets. Operating revenues and expenses result from providing services in connection with the Crusade's principal ongoing operations. Principal operating revenues of the Crusade are received through various grants. Operating expenses include grant program expenses, cost of scholarships, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses. The non-operating revenues of the Crusade are operating transfers from the State of Rhode Island.

ADVERTISING COSTS

The Crusade expenses advertising costs as they are incurred.

THE COLLEGE CRUSADE OF RHODE ISLAND
(A Component Unit of the State of Rhode Island)
 NOTES TO FINANCIAL STATEMENTS (CONTINUED)
 June 30, 2009 and 2008

LIABILITY FOR COMPENSATED ABSENCES

Employees are allowed to accrue ten vacation days and thirty sick days. Employees are entitled to receive full pay for the number of vacation days accrued at the time of termination. Per the Crusade policy, employees' sick leave accrual does not vest and accordingly, employees may only utilize sick time when sick or when appropriately approved for personal reasons. Since the employees accumulating rights to receive compensation for future absences are contingent upon the absences being caused by future illness and such amounts can not be reasonably estimated, a liability for unused sick leave is not recorded in the financial statements.

NOTE 2 – CASH AND CASH EQUIVALENTS

In accordance with R.I. Gen. Laws § 35-10.1-1, *et seq*, Rhode Island depository institutions holding deposits of the State, its agencies or governmental subdivisions of the State, shall at a minimum, insure or pledge eligible collateral equal to one hundred percent (100%) of the deposits which are time deposits with maturities greater than sixty (60) days. Any of these institutions which do not meet minimum capital standards prescribed by federal regulators shall insure or pledge eligible collateral equal to one hundred percent (100%) of the deposits, regardless of maturity. At June 30, 2009 and 2008, the Crusade had no deposits that were required to be collateralized.

The following summary presents the Crusade's deposits at June 30, 2009 and 2008. Category 1 includes deposits which are fully insured or collateralized with securities held by the Crusade or its agents in the Crusade's name. Category 2 includes deposits that are collateralized with securities held by the pledging financial institution's trust department or agent in the Crusade's name. Category 3 includes deposits that are not insured or collateralized.

Restricted Cash - Carnegie Grant		99,117	99,117
TOTAL		\$ 792,281	\$ 723,116

Custodial Credit Risk – Deposits: Custodial credit risk is the risk that, in the event of a bank failure, the Crusade’s deposits may not be returned to it. The Crusade does not have a deposit policy for custodial credit risk. As of June 30, 2009, \$38,571 of the Crusade’s bank balance of \$288,571 was exposed to custodial credit risk. As of June 30, 2008, \$692,281 of the Crusade’s bank balance of \$792,281 was exposed to custodial credit risk.

NOTE 3 – GRANTS RECEIVABLE

As of June 30, 2009 and 2008, the Crusade had grants receivable entirely from GEARUP Grant with outstanding balances of \$540,219 and \$554,103, respectively. Management believes, due to the nature of the grants receivable, the amounts are fully collectible.

NOTE 4 – INVESTMENTS

The Crusade’s investments are categorized to give an indication of the level of risk assumed by the Crusade at year end. The categories are described as follows:

Category 1 – Insured, registered, or securities held by the Crusade or its agent in the Crusade’s name.

Category 2 – Uninsured and unregistered, with securities held by the counterparty’s trust department or agent in the Crusade’s name.

Category 3 – Uninsured and unregistered, with securities held by the counterparty or its trust department or agent but not in the Crusade’s name.
